

Declaration of consent for data protection of affected persons (according to GDPR)

I consent, on my behalf, to DasPosthotel GmbH (hereinafter referred to as 'hotel') processing my personal data, in particular:

Master data (last name, first name, place of residence, address, email address, telephone and fax numbers, business and personal contact details including contact persons and their function, place and date of birth, customer number, language and license plate as well as car model), ID data (e.g. travel documents, personal IDs, driving licenses etc. including issuing authority and expiry date, nationality), arrival and departure date and length of booking, room number, the services which I have asked for and personal preferences, which I have communicated (such as food or bedding preferences), as well as allergies, intolerances, other needs and customer or special requirements, date and type of utilised and consumed services including unique categories of data, data regarding payment type and pertaining to payments, in particular EC-cards (debit cards), credit cards, bank cards and bank data, data with picture/audio recordings as well as customer feedback

for the following purposes within the premise (hotel):

Reservations of rooms and tables along with other services, bookings of rooms and services in hotels and restaurants as well as the application, processing and invoicing thereof and other hotel services and deliverables (B2B, B2C), customer service including all correspondence, processing of customer requirements and cost allocation, booking and planning of events and functions of all kind, procurement and delivery of transport services and rental vehicles, operation of wellness and fitness facilities including making appointments, group trainings, booking of additional services, consulting of customers, use of computer-operated training machines, video surveillance of all entrances to the hotel, all areas belonging to the hotel but located outside of the building and all accessible rooms within the hotel and relative outbuildings and park grounds for security purposes e.g. for the protection of persons and items, the property of the hotel guests and the hotel, in particular.

Furthermore, I consent to my data being passed on to the responsible registry office and their agents.

I want all services concerning my stay in the hotel, to be executed as effectively and efficiently as possible, and that my particular customer wishes continue to be considered moving forward. So that I may receive optimum customer service, I consent that all my data, as specified in this document, may be kept on file beyond the duration of my business relationship with the hotel and at most 3 years after the longest statutory requirement to preserve records, so that this data may be used to create new booking of the hotel, as specified by myself, and can be passed on to third parties, to the extent necessary.

I was advised, that I am entitled to partially rescind or entirely revoke this declaration of consent at any time with respect to the hotel.

I acknowledge that the data protection policies of the hotel are published on their website www.zillerseasons.at and hereby acknowledge that I have read, understood and agree with them.

I consent to receiving electronic post and advertisements of any kind e.g. in the form of a newsletter or other mail-outs, in order to partake in competitions voucher and coupon activities but also invitations and information regarding personal occasions such as birthdays etc. for marketing purposes from DasPosthotel GmbH. For technical reasons I confirm, that my address data, email address, salutation, title, name and surname may be passed to our marketing tools (e.g. newsletter tool) hosted by Netzwerk Kreidl GmbH. I confirm that I am not registered on the "Robinson" list, in accordance with § 7 Section 2 of the e-commerce legislation. I acknowledge, that I can rescind this declaration of consent at any time, if I send the according email to the hotel at info@zillerseasons.at.
